If Customer or 4Site initiate termination under any provision of the Agreement other than under Section 6, Customer will be obligated to pay the balance due for the remainder of the term for its account computed in accordance with the Order Form. 3. Because of the unique nature of the Confidential Information, each Party agrees that the disclosing Party may suffer irreparable harm in the event the recipient fails to comply with its obligations under this Section 2, and that monetary damages may be inadequate to compensate the disclosing Party for such breach. Accordingly, the recipient agrees that the disclosing Party may, in addition to any other remedies available to it, be entitled to injunctive relief.

B. Non-Disclosure

Subject to the other paragraphs in this Section, Customer agrees that the Software shall be held in confidence by Customer and shall not be disclosed to others without the prior written consent of 4Site, which may be withheld by 4Site in its sole discretion. 4Site provides documentation for the Software electronically. - E. The terms of this Section 3. Intellectual Property shall take precedence over any/all conflicting terms and conditions located elsewhere, and any conflicting terms are specifically objected to and rejected by 4Site.

4. **TERM.** The Term of the Agreement shall commence as of the Effective Date and shall continue for one (1) year ("Initial Term") unless terminated earlier as set forth below. If customer fails to renew any term or fails to pay the invoice for the renewal term, 4Site reserves the right to suspend or terminate this Agreement and Customer access to the Service. Customer will continue to be charged and hereby agrees to pay for Service during any period of suspension, up to and including the date the Agreement is terminated per this Section 4.  - B. No charge shall be made to the Customer for either Mandatory Revisions or Optional Revisions while under a current Maintenance Agreement.
 - C. New products ("New Products") may be added to the Software by 4Site from time to time. Compared to a Revision, New Products substantially improve the performance of the Software and/or substantially increase its functionality and capability. 4Site, in its sole discretion, shall decide which upgrades and improvements will be issued as Revisions without charge and which shall be issued as New Products for which there may be a charge.
4. **Email Assistance.** 4Site, at its expense, shall make available technically qualified personnel to respond to all reasonable email requests, Monday through Friday, excluding State holidays, during normal business hours, that may be made by the Customer relating to the application and operation of the Software.

In the event that the Customer or its agents misuses or modifies the Software or data files, including, but not limited to, inserting, updating, deleting or otherwise modifying data through a means other than the Software, although 4Site is not obligated to correct such misuse, 4Site shall be entitled to attempt to correct the situation, if possible, at Customer's expense.
 - D. In the event that diagnostic assistance is provided by 4Site, which, in the reasonable opinion of 4Site and the Customer, relates to problems not caused by a Deviation in the Software, such assistance shall be at the Customer's expense.
7. **Software Maintenance Fee – Paid Up License.** In consideration of the Maintenance services to be provided by 4Site for the initial 12-month period hereunder, Customer shall pay to 4Site an amount set forth in the Order Form or Invoice. For each 12-month period thereafter, Customer will pay to 4Site fees in accordance with this Agreement.
8. **Other Fees and Expenses.** If onsite maintenance is required, Customer will pay reasonable travel and living expenses of 4Site's employees or agents, which shall be billed and paid as the expenses are incurred.
9. **Payment Terms.**
 - A. Annual payments for Maintenance will be due in advance of the commencement of the initial 1-year term of the Maintenance and on each anniversary thereafter.
 - B. 4Site reserves the right to change the annual Maintenance fee by providing Customer written notice of the increase at least 30 days prior to any scheduled renewal date.
10. **Default and Termination.**
 - A. The Customer shall have the right to terminate Maintenance upon delivery of written notice at least 90 days prior to any scheduled renewal date.

If Customer does not implement a Mandatory Revision within 30 days following receipt of written notice from 4Site of Customer's failure to implement a Mandatory Revision, 4Site may then cancel Maintenance, effective immediately, by notice in writing to the Customer.
 - C. In the event of any breach of the terms and conditions of this Agreement by the Customer, 4Site will, by written notice to the Customer, give the Customer a period of 30 days within which to institute remedies to correct such breach. If

- D.** If Maintenance is terminated by 4Site, 4Site shall have no continuing obligations to the Customer of any nature whatsoever with respect to Maintenance. Furthermore, termination by 4Site pursuant to the provisions of this Agreement shall be without prejudice to any right or recourse available to 4Site, and without prejudice to 4Site's right to collect any amounts, which remain due to it hereunder.

Attachment 3 – Professional Services Terms

1. Services / SOW.

- A. 4Site will perform the professional services ("Services") described in the SOW. The terms of this Attachment 3 shall control any additional or future SOWs that may be executed by the Parties during the Term of the Agreement. No SOW shall be of any force and effect unless and until executed by both 4Site and Customer.
- B. Changes to Services/SOW shall require 4Site' approval and all modifications to costs and schedule shall only be valid if included in a written Change Order signed by both Parties.

2. Price and Payment Term

- A. Each SOW will either be on a time and material basis or a fixed price basis, specified in the SOW. The SOW will include a definitive list of "Deliverables" that must be completed by 4Site. In some instances, the SOW will include a date by which "Deliverables" must be completed.
- B. In the event that Services result in greater 4Site duties than contemplated by the SOW, Customer will work closely and in good faith with 4Site to modify the SOW to ensure that the Customer's requirements are addressed, and 4Site's fees shall be adjusted to reflect increased Customer requirements.
- C. Unless specifically addressed in the SOW, all travel and expenses incurred will be extra and billed at the time of incurrence.
- D. Invoiced amounts are due and payable 30 days from the date of the invoice. The preferred means of payment is electronic funds transfer (EFT). EFT payments can be accomplished as either a Funds Transfer (Fed Wire) or Direct Deposit (ACH). All payments shall be made in United States Dollars without deduction for any taxes or withholding or other offset.
- E. Services may be invoiced upon completion of Milestones as set forth in the SOW or Order Form. Notwithstanding the invoicing described in the SOW or Order Form, for Professional Services invoices shall be sent either monthly as rendered or upon completion of milestones (as defined in the SOW included in the Order) and include charges defined in the Order Form unless otherwise specifically stated in the Order form. The pricing on the Order Form is based upon the quantities listed at the time of purchase.
- F. Upon termination for whatever reason and regardless of the nature of the default (if any), Customer agrees to pay 4Site in full for Services provided to Customer up to and including the date of termination under this Agreement within 30 days of the invoice date.
- G. Custom modules, interfaces and other software can be placed under the 4Site Software Maintenance program.
- H. 4Site reserves the right to apply a late payment charge of 1.5 % per month, or the maximum rate permitted by law if lower, to amounts outstanding more than 30 days after the date of the invoice and 4Site retains the right, in 4Site's sole discretion and in addition to its other rights and remedies, to cease further performance of the SOW.
- I. Bill to Address. The invoice will be mailed to the Customer address on the Order Form unless otherwise indicated in the SOW.

3. Resources to be Provided by Customer

- A. Customer shall provide, maintain, and make available to 4Site, at Customer's expense and in a timely manner, the resources described in this Section 3, the SOW, and such other additional resources as 4Site may from time-to-time reasonably request in connection with 4Site performance of the Services. Delays in the provision of these resources may result in delays in the performance of the Services, or an increase in the Price.
- B. Customer will designate qualified Customer personnel or representatives to consult with 4Site on a regular basis in connection with the Services. Customer will furnish such documentation and other information as is reasonably necessary to perform the Services.
- C. Customer shall furnish access to Customer's premises, and appropriate workspace for any 4Site personnel working at Customer's premises, as necessary for performance of those portions of the Services to be performed at Customer's premises.
- D. Customer shall meet all assumptions noted In the SOW.

4. **Subcontractors** 4Site may engage subcontractors to assist in performing Services without the prior written consent of Customer; provided, 4Site shall supervise such sub-contractors, and the Services performed by them to the same extent as if 4Site performed the work.

5. Confidentiality

- A. Because either Party may have access to information of the other Party that the other Party considers to be confidential or proprietary ("Confidential Information"), each Party will maintain all Confidential Information in confidence and will use it solely in the discharge of its obligations under this Agreement and any applicable SOW. Nothing herein will be deemed to restrict a Party from disclosing Confidential Information to its employees and subcontractors in the discharge of such obligations.
- B. Confidential Information will not include information that (i) is, or becomes, generally known or available through no fault of the, recipient; (ii) is known to the recipient at the time of its receipt from the disclosing Party; (iii) the disclosing Party provides to a third party without restrictions on disclosure; (iv) is subsequently and rightfully provided to the recipient by a third party without restriction on disclosure; (v) is independently developed by the recipient, without reference to the disclosing Party's Confidential Information; or (vi) is required to be disclosed pursuant to a governmental agency or court subpoena, provided the recipient promptly notifies the disclosing Party of such subpoena to allow it reasonable time to seek a protective order or other appropriate relief.
- C. Because of the unique nature of the Confidential Information, each Party agrees that the disclosing Party may suffer irreparable harm in the event the recipient fails to comply with its obligations under this Section 5, and that monetary damages may be inadequate to compensate the disclosing Party for such breach. Accordingly, the recipient agrees that the disclosing Party may, in addition to any other remedies available to it, be entitled to injunctive relief.

6. Intellectual Property

- A. Customer and 4Site shall each retain ownership of, and all right, title, and interest in and to, their respective Intellectual Property.
- B. The Services performed, code developed, and any Intellectual Property produced pursuant to this Agreement are not "works for hire."
- C. As used herein, "Intellectual Property" shall mean inventions (whether or not patentable), works of authorship, trade secrets, copyright, techniques, know-how, ideas, concepts, algorithms, and other intellectual property incorporated into any SOW or Deliverable whether or not first created or developed by 4Site in providing the Services.
- D. Notwithstanding any order of precedence language or other conflicting terms and conditions contained in any document considered to be part of this Agreement, regardless of incorporation method, the terms of this Section 6. Intellectual Property shall take precedence over any/all conflicting terms and conditions located elsewhere, and any conflicting terms are specifically objected to and rejected by 4Site.

7. Non-Solicitation. During the term of this Agreement, and for 1 year thereafter, Customer shall not solicit the employment of, or contract for the services of, any person who is/was an employee, agent, or subcontractor of 4Site during the term of this Agreement. Nothing in this section shall prohibit Customer from placing a bona fide public advertisement for employment which is not specifically targeted at 4Site employees and Customer shall not be restricted from hiring any such person who responds to any such general solicitation or public advertisement so long as no direct solicitation of such person has occurred.

8. Termination for Default. Either Party may terminate any SOW if (i) the other Party fails to perform a material obligation of the SOW and such failure remains uncured for a period of 30 days after receipt of notice from the non-breaching Party specifying such failure; or (ii) a Party ceases to conduct business, becomes or is declared insolvent or bankrupt, is the subject of any proceeding relating to its liquidation or insolvency which is not dismissed within 90 days or makes an assignment for the benefit of creditors. In addition, 4Site may terminate any SOW effective immediately upon written notice to Customer if Customer fails to make any payment in full as and when due hereunder. Termination of a SOW shall not terminate this Agreement. Upon termination for whatever reason and regardless of the nature of the default (if any), Customer agrees to pay 4Site the full value for all goods and/or services provided to Customer up to and including the date of termination.

9. Termination for Convenience. Notwithstanding any other provision in this Agreement, either Party may terminate a SOW by providing a 90-day notice of intent to terminate the SOW.

10. Effect of Termination. The Terms of this Agreement shall survive for any SOW which is still pending at the time of termination until the conclusion of the SOW.

11. Professional Services Limited Warranty

- A. 4Site warrants that the Professional Services provided under an Order Form or a SOW authorized under this Attachment 3 shall be performed with that degree of skill and judgment normally exercised by recognized professional firms performing the same or substantially similar services. In the event of any breach of the foregoing warranty, provided Customer has delivered to 4Site timely notice of such breach as hereinafter required, 4Site shall, at its own expense, in its discretion either (1) re-perform the non-conforming Services and correct the non-conforming Deliverables to conform to this standard; or (2) refund to Customer that portion of the Price received by 4Site attributable to the non-conforming Services and/or Deliverables. No warranty claim shall be effective unless Customer has delivered to 4Site written notice specifying in detail the non-conformities within 90 days after performance of the non-conforming Services or tender of the non-conforming Deliverables. The remedy set forth in this Section 11 (a) is the sole and exclusive remedy for breach of the foregoing warranty.
- B. **4SITE SPECIFICALLY DISCLAIMS ANY OTHER EXPRESS OR IMPLIED STANDARDS, GUARANTEES, WARRANTIES OR IMPLIED WARRANTIES, INCLUDING, WITHOUT LIMITATION ANY WARRANTIES OF MERCHANTABILITY, FITNESS FOR A PARTICULAR PURPOSE OR NON-INFRINGEMENT, AND ANY WARRANTIES THAT MAY BE ALLEGED TO ARISE AS A RESULT OF CUSTOM OR USAGE, ANY WARRANTY OF ERROR-FREE PERFORMANCE, OR ANY WARRANTY OF THIRD-PARTY PRODUCTS, OR FUNCTIONALITY OF THE CUSTOMER'S HARDWARE, SOFTWARE, FIRMWARE, OR COMPUTER SYSTEMS.**
- C. Customer represents and warrants to 4Site that Customer has the right to use and furnish to 4Site for 4Site use in connection with this Agreement any information, specifications, data or Intellectual Property that Customer has provided or will provide to 4Site in order for 4Site to perform the Services and to create the Deliverables identified in the SOW.

11. Relationship of Parties. 4Site is an independent contractor in all respects with regard to any Professional Services. Nothing contained in this Agreement shall be deemed or construed to create a partnership, joint venture, agency, or other relationship other than that of contractor and Customer.

 - D. **Customer Data.** Customer shall retain all right, title, and interest in and to the data entered or submitted by Customer by means of the SaaS (“Customer Data”). Customer grants to 4Site a royalty-free, non-exclusive, non-transferable license for the term of this Agreement to use Customer Data to the extent necessary to provide the SaaS. Notwithstanding anything to the contrary, 4Site shall have the right to collect and analyze data and other information relating to the provision, use and performance of various aspects of the SaaS and related systems and technologies (including, without limitation, information concerning Customer Data and data derived therefrom), and 4Site will be free (during and after the term hereof) to: (i) use such information and data to improve and enhance the SaaS and for other development, diagnostic and corrective purposes in connection with the SaaS and other 4Site offerings, and (ii) disclose such data solely in aggregate or other de-identified form in connection with its business.

Customer acknowledges that problems with the internet, equipment, software and network failures, impairments or congestion, or the configuration of Customer's computer systems, may prevent, interrupt or delay Customer's access to the SaaS or data stored within the SaaS. 4Site is not liable for any delays, interruptions, suspensions, or unavailability of the SaaS or the data stored within the SaaS beyond 4Site's control, attributable to problems with the internet or the configuration of Customer's computer systems.

7. Data.

- A.** Customer is solely responsible for the accuracy, quality, integrity, legality, reliability, and appropriateness of all Customer Data. Customer will not send or store infringing, obscene, threatening, libelous or otherwise unlawful or tortious material, including material that violates third party privacy or intellectual property rights, includes malicious code, or that will interfere with the integrity of the SaaS.

- D. Customer Responsibilities.** Customer represents that it is fully responsible for: (a) the content of any Customer Data; (b) selection and implementation of controls, including settings and policies, regarding access rights and use of the Software by Customer and its Authorized Users; and (c) Customer's computer system, software, and hardware (e.g., computer equipment, servers, printers etc.). 4Site assumes no responsibility for the correctness or performance of, or any resulting incompatibilities with, current or future releases of the Software if Customer has made changes to the system hardware/software configuration or modifications to any supplied source code which changes affect the performance of the Software or SaaS and were made without prior notification and written approval by 4Site. 4Site assumes no responsibility for the operation or performance of any Customer or third-party application.
